### **Notes for Applicants**

All positions within Touch New Zealand require that volunteers have a satisfactory security clearance. Therefore, any offer of volunteer work is conditional upon a satisfactory security clearance being obtained for the applicant.

Should we proceed with your application, we will request details for a security clearance and details of any criminal convictions.

Please note that if you have:

- given incorrect or misleading information
- omitted any important information or fail to obtain a security clearance, you may be disqualified from appointment, or if appointed, your appointment may be annulled.
- all information contained in this application will remain confidential between the applicant and Touch New Zealand.
